Alastair Dunning - Bio

Alastair Dunning is head of the 4TU.Centre for Research Data, the Dutch data archive for the technical sciences (<http://researchdata.4tu.nl/en>). It is hosted at the Technical University of Delft, where Alastair is also head of the Research Data Support team.

Previous to that Alastair worked at the Europeana Foundation for the cultural heritage sector, where he helped build the largest corpus of open historic newspapers (<http://www.europeana-newspapers.eu/>) in Europe and the largest collection of linked open bibliographic data (<http://research.europeana.eu/data/the-european-library-open-dataset>). Alastair has also worked at the UK shared service for universities, Jisc. Alastair studied at the University of Glasgow and the Courtauld Institute of Art. His favourite wine is Nero d'Avola.
