Sarah Jones - Bio

Sarah Jones is Associate Director at the Digital Curation Centre, a service to support the higher education sector with research data management. She coordinates work on the DCC's Data Management Planning tool - *DMPonline* - and undertakes research on data policy and data management planning. She has written several articles and book chapters on these topics, and co-edited *Delivering Research Data Management Services: fundamentals of good practice.* Sarah provides advisory services, training and consultancy via the DCC and is involved in the FOSTER+, EOSC, OpenAIRE and EUDAT projects. She is also rapporteur on the European Commission's FAIR Data Expert Group. Her work in a European context focuses primarily on training and data management planning to facilitate open science and compliance with Horizon 2020 requirements.
