

## **OpenAIRE National workshop**

**Torino, December 10th, 2018**

---

### **Open Science: the EC perspective, policy and initiatives**

Open Science is here to stay and the European Commission is committed to promoting it. During her presentation, Alea will present policies and initiatives by the European Commission to promote Open Science. She will focus on Horizon 2020 policy on Open Access to scientific publications and research data and the expected changes for Horizon Europe; the implementation of Plan S; the Data Package of April 2018; the Open Research Europe platform for Horizon 2020 beneficiaries and the recent launch of the European Open Science Cloud (EOSC).
